# Welcome!

We believe in keeping our food simple and go to great lengths to source fresh, seasonal ingredients for our menus. Wherever possible we make a point of supporting local producers and promoting food from the region.

Our dishes are all freshly prepared, our menus nutritionally balanced and we also provide a good choice of healthy eating options. We create imaginative vegetarian dishes and are always happy to accommodate guests with allergies or special dietary requirements. If you have any special requests please discuss them with one of our team.
