

Winter Menu and Local Drinks Selection

We would like to take this opportunity to introduce you to our locally influenced seasonal menu which will be available in the restaurant from January until March 2015.

Our chefs have created a selection of dishes that reflect the spirit of winter using fresh seasonal ingredients with hearty, robust flavors, which will offer you some comfort from the cold weather.

We have also put together an extensive drinks list from the East Midlands region which includes locally produced soft drinks, ales, cider, spirits and wines. Our locally sourced mineral water from the National Forest Spring Water Company in Derbyshire also helps to fund our Raindrops for Life Campaign. Five pence from every bottle sold is donated to rain harvesting projects in the Dhar region of India and we have now raised over £19,000 since 2008 when the scheme was launched.

We would like you to visit our newly refurbished bar & lounge area and the team would be keen to hear your thoughts on the new look which was completed at the end of the summer.

Alternatively dishes from this menu are also available in the comfort of your room between 7pm and 10pm Monday to Friday and 7pm to 9pm on Saturdays and Sundays.

To make a reservation for this evening please call the restaurant direct on extension 3014 or 3011 for room service.

We look forward to seeing you.

Bon Appetit!
